SAINT-GOBAIN ENTERS THE PLASTERBOARD MARKET IN MEXICO

Saint-Gobain has just completed the acquisition of the entire capital of KNAUF Mexico, a company specializing in the manufacture and distribution of plasterboard. KNAUF Mexico had close to €30 million in sales in 2018.

This acquisition marks Saint-Gobain's entry onto the Mexican plasterboard market and rounds out its current plasterboard offering for buildings and ceilings.

The transaction enables the Group to reinforce its presence on a fast-changing construction market, where it already enjoys a leading position in the glass market.
