To the Shareholders,

Following our appointment as statutory auditors by your Shareholders' Meeting and in accordance with article L. 451-1-2 III of the French Monetary and Financial Code ("*Code monétaire et financier*"), we hereby report to you on:

- the review of the accompanying condensed half-year consolidated financial statements of Compagnie de Saint-Gobain for the six-month period ended June 30, 2013,
- the verification of information contained in the half-year management report.

These condensed half-year consolidated financial statements are the responsibility of the Board of Directors. Our role is to express a conclusion on these financial statements based on our review.

I - Conclusion on the financial statements

We conducted our review in accordance with professional standards applicable in France. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with professional standards applicable in France and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed half-year consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34 - the standard of the IFRS as adopted by the European Union applicable to interim financial information.

II – Specific verification

We have also verified the information given in the half-year management report on the condensed half-year consolidated financial statements that were subject to our review. We have no matters to report as to its fair presentation and consistency with the condensed half-year consolidated financial statements.
