

SAINT-GOBAIN EXPECTS TO COMPLETE ITS ACQUISITION OF BUILDING PRODUCTS OF CANADA ON SEPTEMBER 1ST, 2023

Saint-Gobain has now obtained approval from the Competition Bureau of Canada for its acquisition announced on June 12, 2023 of Building Products of Canada, a privately owned manufacturer of residential roofing shingles and wood fiber insulation panels in Canada. The acquisition is expected to close on September 1st, 2023.

With this acquisition, Saint-Gobain takes a logical step to **reinforce its leadership in light and sustainable construction in Canada** by completing its offer on **Exterior Solutions** in the country with **Roofing**, following the addition of **Siding** thanks to the Kaycan acquisition in 2022. The acquisition therefore complements the existing CertainTeed Canada operations, **already leader in Interior Solutions** (gypsum, insulation, ceilings).

ABOUT SAINT-GOBAIN

Worldwide leader in light and sustainable construction, Saint-Gobain designs, manufactures and distributes materials and services for the construction and industrial markets. Its integrated solutions for the renovation of public and private buildings, light construction and the decarbonization of construction and industry are developed through a continuous innovation process and provide sustainability and performance. The Group's commitment is guided by its purpose, "MAKING THE WORLD A BETTER HOME".

€51.2 billion in sales in 2022

168,000 employees, locations in 75 countries

Committed to achieving Carbon Neutrality by 2050
