

# COMFORT ENGINEERED TILE ADHESIVES

Enhancement of existing  
tile adhesives  
products

## SUSTAINABILITY

### BETTER FOR PEOPLE

- Less irritant
- Low dust

- Easy to mix and apply
- Low emissive products
- Lighter bags

### BETTER FOR THE PLANET

- Reduction of CO<sub>2</sub> emissions
- Limited use of non renewable energies

- Reduced water consumption

## PERFORMANCE

### BETTER ECONOMIC VALUE

- Faster to mix and apply

- Positive productivity impact
- Easy to transport and store (lighter bags)

### BETTER QUALITY

- For all type of tiles and job sites
- Not disturbing applicators habits
