

ETICS WEBERTHERM CIRCLE

The first recyclable external
insulation system

SUSTAINABILITY

BETTER FOR PEOPLE

- High performance weather resistant
- Acoustic performance
- Biocide free render system

- Easy to apply
- Ability to be fully dismantled
- Purely mechanical fixing

BETTER FOR THE PLANET

- Efficient thermal insulation
- Avoids thermal bridges

- Recyclable
- Robust, three-layer render layer

PERFORMANCE

BETTER ECONOMIC VALUE

- Lower energy bills

BETTER QUALITY

- Solid, fully-mineral system
- Fire safety: use of non-combustible insulation
