

## Regulated agreements set forth in Article L.225-38 of the French Commercial Code

*(Information published pursuant to Articles L.22-10-13 and R.22-10-17 of the French Commercial Code)*

### Partnership for the organization and production of the 'Global Award for Sustainable Architecture'

On December 19, 2023, the Board of Directors of Compagnie de Saint-Gobain authorized, as part of the conclusion of a partnership for the organization and production of the 2024, 2025 and 2026 editions of the 'Global Award for Sustainable Architecture' (the '**Partnership Agreement**'), the signing of contracts governed by Article L.225-38 of the French Commercial Code. Signed on December 22, 2023, these contracts were approved by the Shareholders' General Meeting on June 6, 2024. The Partnership Agreement, which has a three-year term, is set to expire on December 22, 2026.

It should be noted that the 'Global Award for Sustainable Architecture' (the '**Award**'), created in 2006 by Jana Revedin, who has been responsible for its organization since that date, is presented each year to five architects whose work reflects the principles of sustainable development and addresses societal needs, with a sustainable, innovative and participatory approach. This Award aligns with the Group's activities as well as the values it promotes and forms part of its communication policy.

As of its meeting on June 5, 2025, the Board of Directors authorized, in line with the existing partnership and in preparation for future editions of the Award, the execution of a new partnership agreement covering the 2027, 2028, and 2029 editions of the Award (the '**New Partnership Agreement**'). This New Partnership Agreement follows the main terms of the existing partnership regarding the organization, production, and promotion of the Award, without any compensation to Jana Revedin. It also provides for the Company, the allocation, free of charge, of a license covering the trademarks 'Global Award for Sustainable Architecture' and 'GA Global Award for Sustainable Architecture' which are owned by Jana Revedin.

As part of the implementation of this New Partnership Agreement, and for the organization and preparation of the 2027 edition of the Award, the Board of Directors authorized, as of its meeting on June 4, 2026, in accordance with the provisions of Article L.225-38 of the Commercial Code:

Regarding Jana Revedin, the signing of:

- As in 2026, a copyright transfer agreement with Jana Revedin in her capacity as co-author of a book dedicated to the work of the 2027 Award laureates, providing for total remuneration of EUR 35,000 excluding VAT, of which EUR 27,000 excluding VAT is allocated to Jana Revedin (same amount as in 2026);
- As in 2026, a publishing contract for the publication and distribution of the aforementioned work with an international publishing house - publisher of the 2023, 2024 and 2025 editions - not affiliated with Jana Revedin, for an estimated publishing cost of EUR 52,000 excluding VAT (same amount as in 2026).

These contracts will be submitted for approval to the Shareholders' General Meeting, which will be called upon to approve the financial statements for the financial year ending December 31, 2026.

The interested party is Jana Revedin, member of the Board of Directors of Compagnie de Saint-Gobain and founder of the 'Global Award for Sustainable Architecture'. In accordance with the provisions of

Article L. 225-40 of the French Commercial Code and Article 21 of the AFEP-MEDEF Code, Jana Revedin abstained from participating in the discussions and vote.
